Remarks

This is a fabulous home with lovely panoramic views of the golf course and a wonderful layout for the most gracious and comfortable living. In a wonderful community with amenities. Close to a rec center. The home has solar for savings in your electricity bill. (Solar is leased.) There is a huge front courtyard for fun and games, and a huge back patio (closed in to use in any weather). The guest bedroom has a door directly into the bathroom, making this 2 master bedrooms. You must come and see this well loved home.
